ACSA has the right to investigate and penalise afterwards for the cause of the delay in kick off. There will be no extra time in any League games.
14. ACSA has the right to change the location or date or time of any match due to adverse weather and/or field conditions.
15. It is the responsibility of the team manager or captain of each team to inspect the field before each game to satisfy himself that the condition of the field is safe for his team players to play on.
16. ACSA will try to inform all teams of any change in fixture schedule due to adverse weather condition, but it is responsibility of the team manager or captain to check with Centennial Parkland's website or Centennial Park Wet Weather hotlines (02-9339 6670).

17. When field is closed due to bad weather condition, catch up game will be rescheduled after the final round is completed.

Match Equipment

18. Teams are assigned to hang the goal nets and set up the corner flags on the fixture table. Under no circumstances should any person attempt to hang or remove a goal net by jumping up to reach the cross bar.
19. Each team must bring their own match balls. The home team (the team who is responsible to put up or take down the goal nets) shall provide the match ball. The match ball must be in size 5 and of suitable standard acceptable to the match referee.
20. Each team shall have 2 sets of uniforms of different colours. All team managers shall check the team contact list for the uniforms colours of other teams, and shall arrange for a change of uniforms prior to the commencement of the game. In case of a conflict of uniforms colours in a match, the away team (the team who is **not** responsible to put up or take down the goal nets) will have to change their uniforms. Failure to comply with this rule may result in forfeiting the game. (ACSA may have spare set of uniforms for emergency use, but a penalty fine of \$100 will be imposed.)

A player who has received a red card in a match will **automatically be suspended in the next match**, plus further penalty that may be imposed by ACSA in rule 26. A cancelled/postponed match due to adverse weather or other reason and a bye week is not considered as a match suspended, and the suspension shall take place in the following match played. This one (1) match suspension is mandatory and not subjected to challenge, appeal or waiver by the Disciplinary Committee.
25. ACSA has the right to suspend any player who has accumulated 3 red cards or 6 yellow cards within one season from taking part in the rest of ACSA competitions.
26. The suspension period of a player with a red card offence can be more than the minimum of one week in Rule 24 and will be decided by ACSA according to the severity of the offence. The Disciplinary Committee will decide whatever punishment or sanction is appropriate in accordance with the guidelines from the NSW Football Federation Rules and Regulations.

27. Suspensions will be carried over to the next tournament in the same year and red card suspension will be carried over to the next season unless overruled by ACSA.
28. Team managers have the responsibility to check and confirm with ACSA Competition Managers the length of suspension (on top of the mandatory suspension, if any) of their players who were given a red card in the previous match. Team managers have the responsibility to ensure that the suspended players serve the suspension as imposed. Any team that is found guilty of fielding player(s) under suspension in a game will forfeit the match. 3 points and 3 goals will be awarded to the opposite team. Additional penalties may also be imposed to the team, managers and player(s) where appropriate.
29. Any form of violent, abusive and provocative conduct by a player or players of a team towards other players, referees, referee's assistants, ACSA officials or spectators **will result in severe suspension** of the player(s) and/or the team for a period to be determined by ACSA, regardless of whether or not the player or players have been cautioned by the referee during the match. Moreover, the team manager has the responsibility to control the behavior of the team players and the spectators. In addition to the above suspension, the Disciplinary Committee has the right to impose a fine to the team for such acts of violence.

Match Players

30. A team with less than 7 players on the field when the referee first blows the whistle can request for five minute's grace. If there are still less than seven players on the field after the period of grace, then the team will forfeit the match.
31. A team will forfeit the match if it is not ready on the field more than 5 minutes after the referee blows his whistle to gather the team captain. Time has to be allowed for hanging the goal nets prior to the kick-off time and will not be accepted as an excuse for lateness.
32. Rolling substitution is allowed in the match. A player being substituted can play again in the same match by notifying the referee before re-entering the field. All player substitution must be done at the halfway line specified by the referee.
33. All reserve or resting players and their supporters must stay behind the goal line and away from the goal posts. In particular, they must not stay in the areas between two fields and ACSA officials have the right to ask them to stay a certain distance away from the field.

Forfeit of Match & Discipline Fines

34. Teams that are assigned to hang the goal nets and set up the corner flags on the fixture table must do so at least 5 minutes before the match kick off. Teams failing to do so will forfeit the matches. ACSA may have spare set of goal nets and corner flags for emergency use, but a penalty fine of \$100 will be imposed. disciplinary bond money from a team violating ACSA rules and regulations before a game commences.

36. If a team has forfeited 3 or more matches, ACSA has the right to suspend this team from any further participation in ACSA competitions.
37. In addition to the suspension above for any form of violent, abusive and provocative conduct by a player or players of a team towards other players, referees, referee's assistants, ACSA officials or spectators, ACSA has the right to impose a fine to the team for such acts.
38. A team manager may lodge an appeal in writing on behalf of his player(s) within 24 hours from dispatch of the disciplinary ruling made by ACSA in the weekly result summary on tender of a non-refundable \$100 appeal-handling fee.
39. Fine must be paid in full by the team before the kick-off of the following game as soon as the disciplinary ruling is imposed and notified, unless otherwise agreed with ACSA.

Referee's Decisions
